14 Tasteful Restaurants

The best restaurants have delicious food and immaculate service, but what keeps us lingering over dessert is a well-designed space. Take a peek at some of the world's most gorgeous restaurant interiors, then browse our editors' recipe to bring the look home.

[Marcia Tucker's](#) design for [Back 40 Kitchen](#) in Greenwich, Connecticut evokes rural farmhouse kitchens of the 19th century through its use of reclaimed barn wood, an iron and hemp chandelier and a vintage tractor seat. Clerestory windows above the main dining area shine a pleasing, diffuse light on the space.
