MEET MARCIA TUCKER

A METICULOUS PLANNER WITH A VISION

Marcia is a meticulous planner, with an enhanced sense of organization, who produces customized design solutions that are tailored to each individual client and project. Marcia Tucker Interiors seeks constantly to expand its curated portfolio of fine merchandise and its range of services. That commitment continues, as Marcia's singular goal is deliver projects that exceed expectations.

A NATURAL EXTENSION OF THE RESIDENTIAL DESIGN

There is no better second home than a one that travels the sea. Marcia Tucker has been designing interiors for high end residences, Yachts, and Private Planes since 2003.

Marcia graduated from the KLC School of Interior Design in London and is a member of the British Interior Design Association and the American Interior Design Association. She practices out of her main office in Greenwich, Connecticut in the USA and has a UK Subsidiary, Marcia Tucker Interiors, Ltd. She has delivered projects in San Francisco, New York City, London, Rio de Janeiro, Sao Paulo, Aspen, and beyond.

YOUR EXPERIENCE

PRODUCT SOURCING

We work closely with yacht owners, yacht managers, captains, chief stewardesses of the yacht. Whether it is a new build, a much needed restock, or a refit, we supply any piece of interior furnishings, outdoor furnishings, bedding, tableware, and accessories

PRODUCT STAGING

We are experienced at yacht staging services for yacht shows and yachts that are on show due to sale. We successfully staged a Superyacht, which sold at the Monaco Yacht Show by decorating it's tables with beautiful settings, beds with the finest linens, the bathrooms with the right accessories, and living spaces with extravagant decor items, fine artwork, and cozy throws.

INTERIOR DESIGN

We collaborate with the most prestigious companies that provide unique and luxurious Superyachts furniture and accessories. Through close cooperation with the client, designers, and manufactures, we provide customized furniture to meet the client's specific requirements and put a personal touch on every yacht.

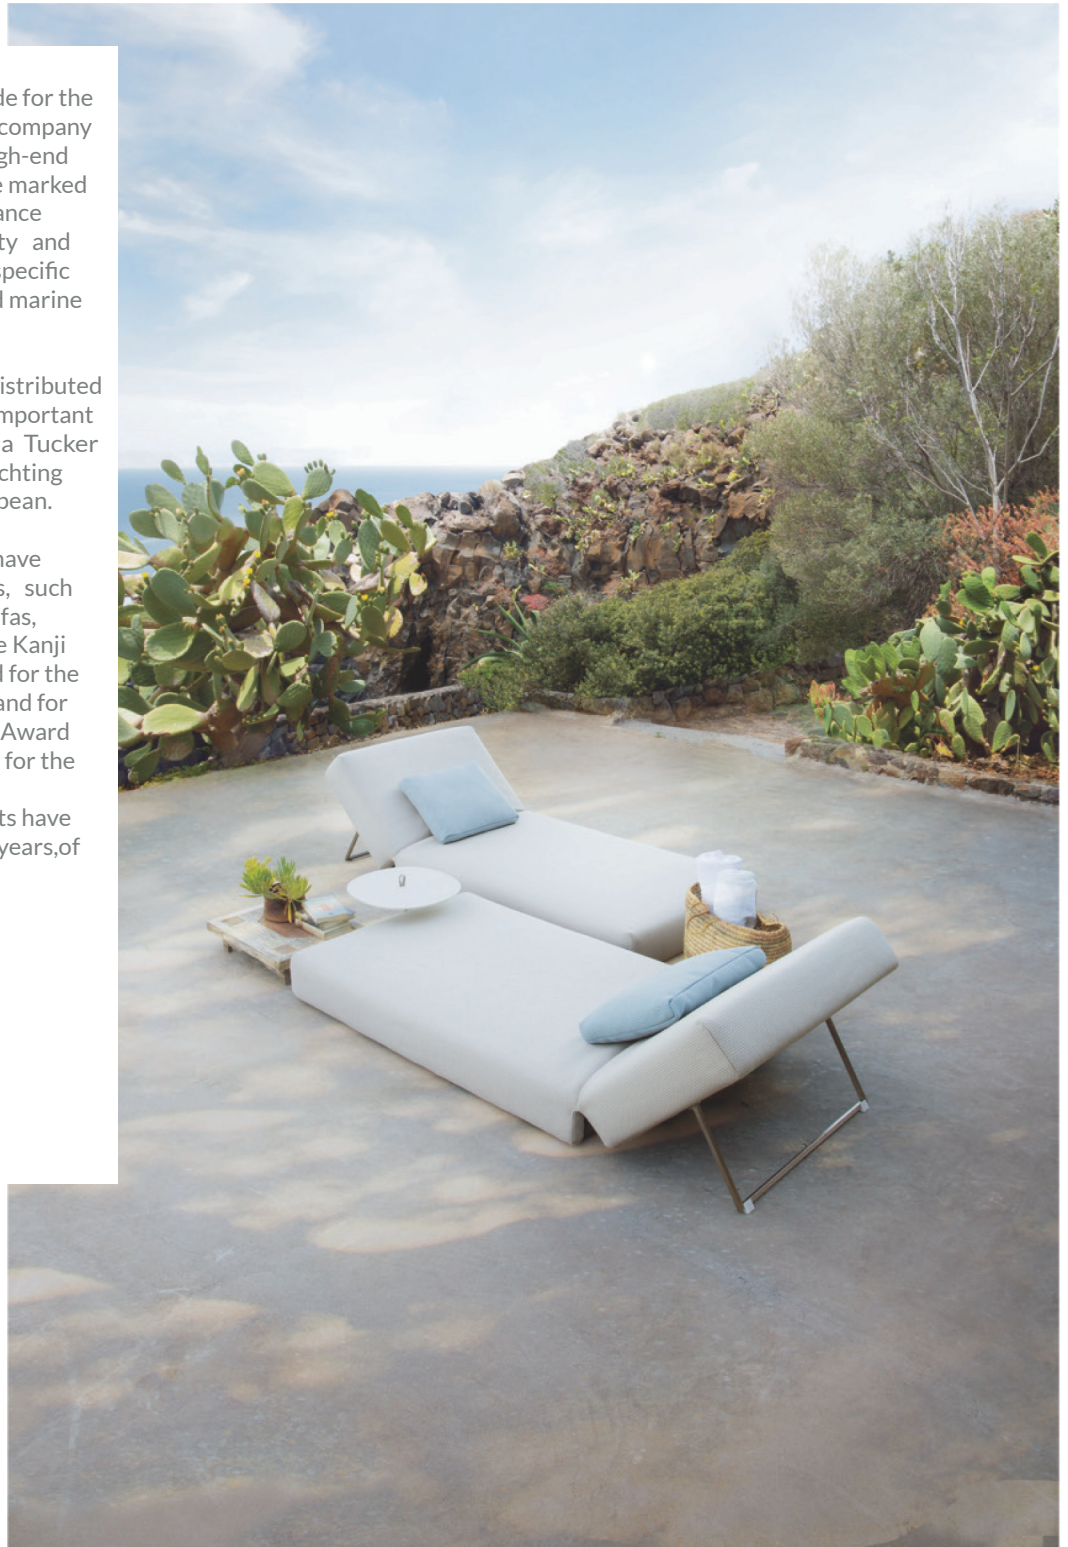

MARCIA TUCKER INTERIORS AND ITALIAN DESIGNER PAOLA LENTI

Paola Lenti is recognized worldwide for the highly innovative imprint that the company has given to its fabrics and its high-end contemporary products, which are marked by a timeless design aimed to balance usefulness and beauty, functionality and aesthetics. Paola Lenti has built a specific know-how also in the yachting and marine sector.

Paola Lenti collections are today distributed in over 60 countries by the most important showrooms worldwide, and Marcia Tucker Interiors is the reseller for its Yachting Division in the USA and the Caribbean.

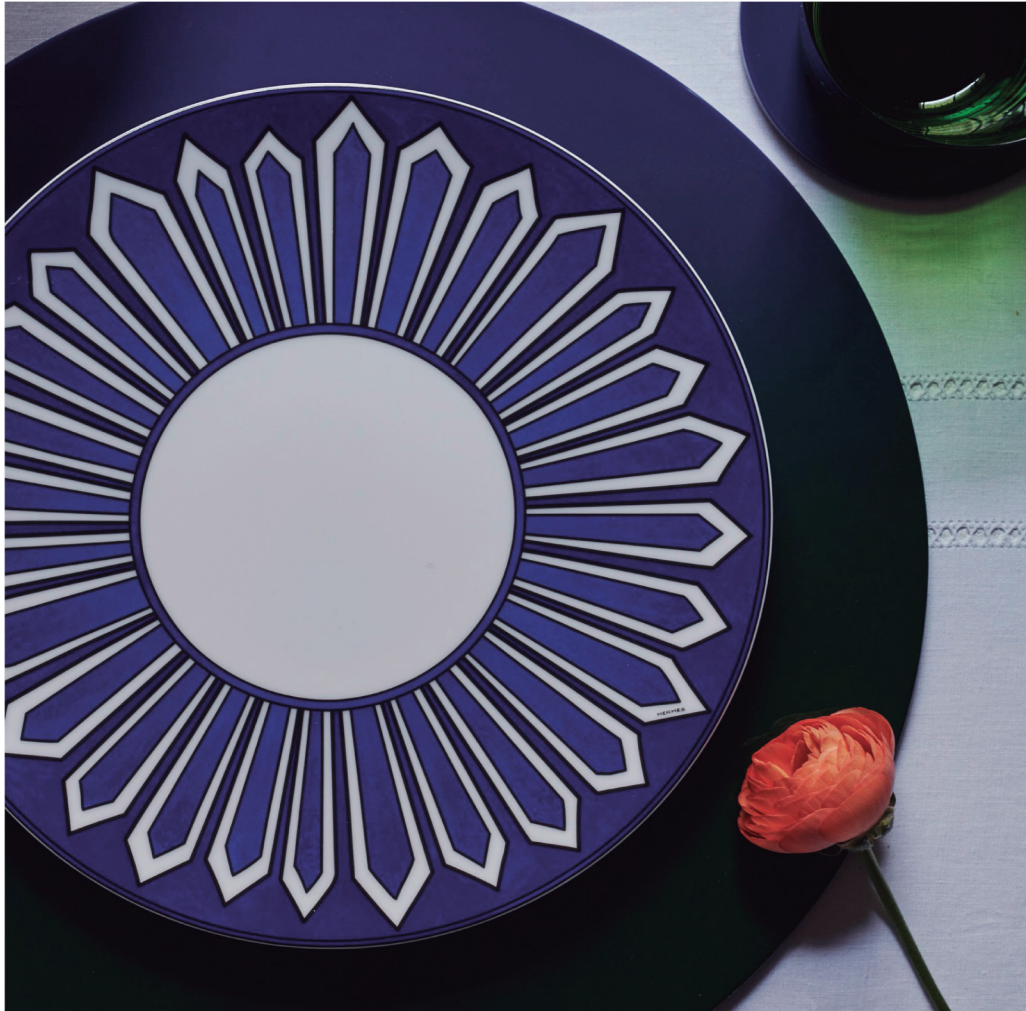

Many of the Company products have received prestigious recognitions, such as: the Red Dot Award for the sofas, Move and Uptown and for the Kanji table; the German Design Award for the sun beds Daydream and Rams and for the Kabà sofa; the Good Design Award for the seating series Portofino, for the Bistrò parasol and for the shading structure Pavilion. Many products have been selected to be part, over the years, of ADI Design Index.
